### **Maria Flarup Dons**

Gentofte Hospital - Copenhagen University Hospital, Hellerup (Denmark)

Specialities : Arrhythmias-General , Arrhythmias-General, Basic Science

Maria Dons finished her medical degree in Medicine from the University of Copenhagen, Denmark in 2017. Maria has demonstrated a very early interest in the field of cardiology as she has been part of the research group at the Department of Cardiology at Gentofte Hospital, Copenhagen, since 2012. Her research is primarily concentrated on patients with atrial fibrillation and at her young age she has presented her research on several international conferences.
