Student at The University of Southern  
Denmark  
Southern Region, Funen, Denmark  
Environmental Services

## Summary

I have a BA in Biology with focus on Ecology and Physiology. I have a natural interest for animals and after a five months study in Australia, my interest in Wildlife Conservation peaked. When I am done with my MSc. I see myself possibly working as a consultant or project planner in regard to Wildlife Conservation, where I can use my knowledge of animal behaviour and skills in GIS to structure and manage Conservation projects and hopefully help strengthen and protect the Danish Flora and Fauna. However while I am saving the environment I also like to travel and next stop is Ecuador, which is why I am learning Spanish at the moment.

## Experience

Student Helper

SDU Transport and Logistics

January 2011 – Present (4 years 1 month) Campusvej 55, Odense

As a Student Helper at SDU Transport and Logistics I learned to take control and manage work assignments, both individually and in a team. I have improved my skills in customer service, my knowledge of Postal Service and how to work in a team where others depend on me.

Student

University of Southern Denmark

August 2010 – Present (4 years 6 months)

Temporary Secretary

PH Accounting

January 2008 – January 2010 (2 years 1 month)

My work assignment included accounting and filing.

Temporary worker

Manpower Inc.

2009 – 2010 (1 year)

I had many different jobs through Manpower, the most noteworthy were at TDC Mobile Company and Siemens Hearing Aid A/S. At TDC the work assignments included refurbishment and packing of digital TV boxes. At Siemens Hearing Aid A/S I helped packing and sending hearing aids.

Telephone Interviewer  
Norstat Denmark A/S  
2009 – 2010 (1 year)

As a Telephone Interviewer I improved my skills in working individually and got a basic understanding of Sale.

## **Projects**

The Preservation of Otters on Fyn  
October 2012 – January 2013

The project was an Individual Student Activity where I learned how to propose a Preservation plan of an animal.

## **Volunteer Experience & Causes**

Treasurer, Board member  
The Danish Society for Nature Conservation  
October 2012 Environment

By being on the board and treasurer of The Danish Society for Nature Conservation for Students in Odense, I have participated in creating awareness of Environmental Conservation, project planning and being responsible for the treasury.

Promoter  
Roskilde Festival Street Team  
2009 – 2013 (4 years) Arts and Culture

As a promoter of Street Team, I helped create awareness of Roskilde Festival. A music festival whose main profit goes to different Humanitarian Projects.

Opportunities Julian Dons is looking for:

- Joining a nonprofit board
- Skills-based volunteering (pro bono consulting)

Causes Julian Dons cares about:

- Animal Welfare
- Civil Rights and Social Action
- Environment
- Human Rights
- Disaster and Humanitarian Relief

Organizations Julian Dons supports:

- Folkekirkens Nødhjælp (DanChurchAid)
- Danmarks Naturfredningsforening
- WWF

## **Languages**

- German
- English

## Education

Syddansk Universitet

Master of Science (M.Sc.), Ecology and Behavioural Biology

2010 – 2015

I have a BA in Biology with focus on Ecology and Physiology. I am currently reading a MSc. in Research with focus on Animal Behaviour and Environmental Conservation.

Activities and Societies: The Small Party Association of Biology (DLF), SDU Krolf

Midtfyns Gymnasium

Mathematics and Science

2005 – 2008

I founded the Mathematical Study's Party Committee, which gave me a basic understanding of project planning and organization.

Activities and Societies: "X" Party Committee
